TODAY'S STANCE

## Stay invested, reduce aggression

Trend intact but overbought and expensive. Trim, do not exit.

WHY

▼ **Valuation Expensive:** CAPE in top historical decile

▲ **Momentum Strong:** Trend intact: 6/6 tracked assets

ACTION

→ Hold momentum winners — trend intact across assets

→ Trim / avoid: QQQ — RSI at extremes

→ Bounce watch: HON, PCAR (oversold + above 200MA)
